

Tax and Accounting

The firm has extensive experience in tax and accounting particularly with schools, offices and businesses, and can prepare tax returns for individuals, partnerships, S-Corporations and C-corporations.

We compile financial statements and also provide payroll services, particularly quarterly and year-end reports such as 1099s, W-2s, 940s, 941s.

We identify and prepare needed risk assessment and internal control questionnaires, and also prepare and analyze attribute tables, data sources and data requests required for the audits.

The lead attorney worked as a Tax Accountant for AIG SunAmerica for several years, where she performed audits, reviews and compilations of financial statements and prepared financial statements on a consolidated basis, income tax basis and other basis of accounting, prepared and reviewed federal & state workpapers that are used for the partnerships, preparation and supervised payroll, annual & quarterly filings, corporate, partnership and multi-state returns, as well as sales tax returns, property tax statements and various tax services for clients in addition to the preparation of tax & credit projections, accounts payable, accounts receivable and general ledger.
