

Personal Injury and Medical Malpractice

The firm further handles cases in the area of:

- Personal Injury
- Medical Malpractice
- Product Liability / Defective Products
- Administrative Law
- Federal Tort Claims
- Premises Liability
- Construction and Car Accidents. Auto accidents annually cause the death of over 40,000 U.S. citizens. Victims of such accidents have a right to hold accountable the responsible parties for their negligence. Such victims may also be entitled to compensation for loss of wages and property and for medical and other costs.
